Great job on your progress so far. You are about to complete Milestone 2, so congratulations in advance! 🎉

To help ensure a smooth submission process, here are some important tips and reminders:

1. **Submission:**
   o Submit your project using the **first Google Form** we will provide.
   o The form will **close at 7:00 AM on 7/12**, so ensure your work is submitted before this time.
   o Review the **project guidelines** and the **latest announcement** about Milestone 2 carefully.
   o Submit early to avoid issues with form availability or connectivity.

2. **Discussion Slot Selection:**
   o Use the **second Google Form** to select a discussion slot.
   o Discussions will take place during **lab timings**, and each **team** can reserve only one slot.
   o Ensure your team brings a **laptop** and is prepared to discuss your work.

3. **Discussion Focus Areas:**

   o Functional **happy path scenarios**
   o Alignment of features with the architecture
   o Delivery of **functional and non-functional requirements**
   o Code quality, including adherence to **SOLID principles** and modularity
   o Effective use of **programming paradigms**

For your planning:

- Milestone 2: **7/12 and 9/12** (Submission closes at 7:00 AM on 7/12)
- Milestone 3: Tentatively **23/12 to 26/12** (subject to confirmation)
